

LIFESTYLES

PROGRAM TITLE: News 3 @ 5PM

TYPE: News

DATE: 5.18.10

DESCRIPTION: Post Partum depression affects anywhere from ten to thirty percent of new mothers. But, as Erika Edwards reports – a new study shows moms often the only hit by depression. Researchers have found a correlation between a mother's post partum depression and a father's. So if one spouse is depressed it can effect the other as well.

DATE: 5.19.10

DESCRIPTION: The Las Vegas City council has approved a free clinic in West Las Vegas. The medical facility will be built at Martin Luther King and Madison and will be operated by the non-profit volunteers in medicine of Southern Nevada. This same group opened another free clinic in the paradise park.

PROGRAM TITLE: News 3 @ 5PM

TYPE: News

DATE: 5.21.10

DESCRIPTION: The Lou Ruvo/Cleveland Clinic center for Brain Health in downtown Las Vegas has created an architectural buzz both good and bad. Designed by world renowned architect Frank Gehry, the clinic is a world class medical facility for the treatment of Alzheimer's and brain health. Because of the grand architectural design, the building will also be available to the public for fundraisers, conventions and events. The fees for rental of the center can run in the thousands.
